

“A.C.T. With Writing” Test-Prep Workshops

Fall, 2009 Through Spring, 2010

Description: Grades 9-12 (public, private, home-schooled). These widely acclaimed five-hour workshops help students prepare for the national and state-mandated “ACT with Writing” test. Students will:

- Learn specifically how one’s ACT score and GPA will impact college admission and scholarships.
- Learn proven “ACT with Writing” test-taking strategies and essay strategies.
- Take an authentic, full-length (3½ hours), timed “ACT with Writing” practice test and essay.
- Build ACT test familiarity, pacing skill, and confidence, and may reduce test anxiety.
- Receive their practice test scores at the workshop. Parents are emailed essay and test scores.
- Learn a highly effective self-help method for correcting and understanding one’s test mistakes. It is designed to help students take ownership and improve their scores on any practice or “real” ACT test.

Students must bring a watch, two #2 pencils and a calculator, and may bring a light snack and bottled water.

Presenter: Frank Bernier, Ph.D.; College Advisor, Lansing Catholic High School, and former college Director of Admissions and Financial Aid. He received MSU’s prestigious Crystal Apple Award for his “outstanding contributions to the field of education”.
