Smile Michigan ...the mobile dentists Are Coming Soon!

**Register your child now for both initial and 6-month
dental check-ups**

Fill out the permission slip today!

Our program is a highly acclaimed on-site dental care program
created in compliance with the Center for Disease Control (CDC)
and the U.S. Surgeon General guidelines

Our Michigan dentists can provide these preventive services:

- Dental exams/screenings
- Cleanings
- Fluoride and Fluoride Varnish
- Radiographs
- Sealants (*a thin, plastic material painlessly applied on the chewing surfaces of the back teeth to prevent tooth decay*)
- All children are eligible for the screening, cleaning and fluoride treatment
- Dental insurances are accepted
- Grant-assistance available
- X-rays shared with child's dentist when referral is made
- FREE toothbrushes
- We supply a dental "report card" with each visit.
- If further dental care is needed, referral to a "Dental Home" is made.
- Medicaid and MICHild cover 100% of our treatment.
- Grants provide dental preventive services for children needing financial assistance.
