Rules Concerning Facility Use

1. Facility use forms must be submitted one week prior to the event.
2. Use of tobacco products, alcoholic beverages and controlled substances strictly prohibited in buildings or on grounds.
3. Unauthorized solicitations, donations or gambling are not permitted on school grounds under any circumstances.
4. The facility shall be left clean or cleaner than it was found. The group using the facility is responsible for cleanup, damages, accidents, liability or misuse of facilities and equipment. It is understood that all student projects and student equipment will remain undisturbed.
5. An adult (person 21 years of age or meeting Administration approval) is required for supervision and control at all times. Students may not enter the building until a supervisor is present. Only those attending approved functions will be allowed in the building.
6. All ordinances and rules of the police, fire marshal and health department regarding public assemblies must be strictly followed and obeyed. No activity shall be permitted in which open flames are used unless approved by the fire department and the Buildings and Grounds Supervisor.
7. Springport Schools is not liable for accidents or incidents. The district is not responsible for loss of valuables or personal property.
8. Equipment such as televisions, projectors or office machines may be used by local groups if prior permission has been granted, use of some equipment may result in a fee. The group must provide all supplies that they use.
9. In the absence of a specifically assigned professional employee of the district, school facilities shall be under direct control of the attending custodian and he/she is delegated the authority necessary to insure compliance with rules and regulations. The custodial staff is expected to facilitate any custodial emergency encountered by the using group during normal working hours. If it is necessary for the custodial staff to render services to the group beyond normal work hours, the group will be billed for the additional work. Custodians are not authorized to provide school equipment to groups except as described and approved in writing on the facility use form.
10. The use of facilities is granted on a specific area basis. This would include lavatory facilities and drinking fountains. In the event individual members of the group do not stay in the designated area, the person in charge has the authority to request action by the adult supervisor. If action is not taken, the using group may be asked to vacate the premises. The same authority applies to the area of gross misconduct on the part of the group or its members.
11. The right to revoke a permit at any time is reserved by the superintendent or his designee. Persons or groups who fail to live up to the policies and regulations as established by the Board of Education and by school administration, shall subject themselves to forfeiture of all privileges of future use of Springport School District facilities.
12. Animals are not allowed on school property without proper authorization.
13. All wages for assigned personnel will be charged on an hourly rate. Time and one half /and or double time will be charged when appropriate.
