

# District Goals

*The District Goals have been established based on the mission and belief statements of the district.*

**1. The Springport Board of Education will foster strong academic programs in which each student will progress towards meeting State of Michigan curriculum standards, be prepared to meet individual career goals, and become productive, contributing citizens.**

**Indicators of Success:**

- Provide the academic programs for our students that meet the rigors of the State of Michigan Curriculum Standards.
  
- District Curriculum council will address the K-12 curriculum standards to ensure their alignment with the State of Michigan Standards.
  
- Provide a personal curriculum protocol and process to meet State of Michigan requirements.
  
- Our buildings demonstrate continuous improvement on State and local assessments.
  
- Each building's School Improvement Plan is based on data collected with comprehensive needs assessments.
  
- Staff development activities are aligned to district and building goals.

## 2. The Springport Board of Education will work to maintain the fiscal stability of the district.

### Indicators of Success:

- Maintain a General Fund Equity that exceeds 10%.
- The Finance Sub-Committee of the Board of Education identifies expenditure priorities.
- Work collaboratively with the staff and community to identify reductions while working to maintain excellent programs for students.
- We are able to successfully collaborate with a county school district to share services.

### 3. The Springport Public School District will maintain effective communication within our school system and the community we serve.

#### **Indicators of Success:**

- Effective use of media to promote the district and showcase our facilities and programs
- The Springport Schools website is maintained and updated on a regular basis.
- Use media to increase communication and collaboration between teachers and families.
- Advertise and showcase positive programs offered within our district on our website.
- Effective utilization of Alert Solutions as a means of communication
- On line grade access for parents to monitor student performance.
- Annual Reports posted online and hard copies available in district offices.

## 4. Springport Public Schools will provide support and resources to maintain the investment our community has made in our district's facilities.

### **Indicators of Success:**

- Our buildings provide a safe and secure environment for our students and community.
- Our buildings and grounds are properly cared for and maintained.
- District facilities are made available and regularly used by our community.
