Child Care

Our Elementary students will be bringing home books to read over the summer. Reading is so important to the success of our students. Please encourage your children to read every day and discuss their book with them. Students will also bring home reading logs and journals. Please encourage them to write in them

throughout the summer and bring them back when school begins in August. Students are able to exchange their books for new ones during the summer months. Also, look for Mrs. Sanford, Mrs. Helm, and Mrs. Keeler out and around town with their book carts.

Reaching Higher will run Monday-Thursday at the middle school from 8:00

-12:00 for 6th-8th grade students beginning on June 12. This is possible through a 21 Century Grant. The program is operated by Highfields.

Our high school recovery program will be running from June 13-July 21, meeting Monday through Friday from 8:00-12:00. Classes begin promptly at 8:00 a.m.
